'Apostoli' is the charity organization of Holy Archdiocese of Athens, established in 2010 as a Non - Profit Organization with national and international scope with activities mainly in the humanitarian, educational and developmental fields. The humanitarian projects in Greece focus on the relief of poor people living in poverty by serving thousands of families every month through soup kitchen programs, food banks and prepaid grocery cards. Moreover, Apostoli provides medical support by operating nine mental health facilities and organizing several educational programs that benefit low income families. The last four years implements programs in primary agro - food sector with main scope to strengthen and develop small productive units.
